Subjoined you will find a route description to event location De Stoomhal.

With public transport one can reach De Stoomhal by traveling to Wormerveer train station.

From the station one can expect a 6 minute walk.

Firstly one crosses the road at the exit of the station. One goes straight on and turns right just before the river Zaan. Across the river one can overlook the Hollandia Warehouses.

After 200 meters one crosses the Zaan river by walking over the blue/red bridge. After passing the bridge, straight ahead till the T-junction (about 100 meter). There, take a left (Bruynvisweg).

De Stoomhal event location is located just 200 m further on your left side.

With kind regards,

The crew of De Stoomhal
